1:00 - 5:30 pm W = \$650 per year

The After School Care Share (ASCS) Program is designed for families who would like to have their children in After School Care, but do not need the full five days per week. The program allows families to 'partner' with another child to 'share' one After School Care space (5 days per week/no duplication of days).

A child must be enrolled for either two or three days per week, with the partner filling the alternate 2 or 3 day space to complete a full five-day ASC space. It is the responsibility of the families to contact other families to fill the space. Application forms of those seeking a partner will be kept on file in the office for parents to access. Once a partner has been found, a \$75 non-refundable deposit will be required to confirm your child's space.
