

HANAHAU'OLI SCHOOL

EST. 1918

For over a century, Hanahau'oli School has found its home at the corner of Makiki and Nehoa Streets. Since our school's founding in 1918, we have honored the ways in which children from Junior Kindergarten through Sixth Grade learn—through doing—by making learning exciting, challenging, and enjoyable.. Grounded in tradition while also embracing innovation, we perpetuate a culture of “joyous work,” and are committed to being a resource and symbol of learning's potential.

Overview of past and planned improvements for Ke'eumoku Street properties:

Completed Improvements:

1911 Ke'eumoku Street:

- Removal of debris, dilapidated structures, and inoperable vehicles
- Remediation of soil, grading of the lot, and installation of irrigation, sod, and landscaping to stabilize the land and mitigate dust and erosion
- Secured perimeter, including installation of moss rock wall on Ke'eumoku St.
- Addressed stormwater drainage
- Creation of 12 parking spaces for Hanahau'oli employees

1921 Ke'eumoku Street:

- Trimmed existing trees and removed debris from property
- Secured existing structure to deter vagrants

1931 Ke'eumoku Street:

- Removal of unsafe, dilapidated structure
- Trimmed existing trees and removed debris from property
- Currently utilized for storage for the school

Near-term planned improvements:

1911 Ke'eumoku Street:

- Install wax ficus and mock orange plants along the perimeter during April 1st planting day (which we hope you will attend!)
- Complete landscaping to further beautify the space and mitigate dust and erosion

1921 Ke'eumoku Street:

- Make existing structure safe for learning – submitted building permit for safety improvements and renovations (ie: removing interior walls, installing new roof, painting, etc.)

1931 Ke'eumoku Street:

- Continue utilizing existing structure for storage
