Summer School 2019
Brochure of Classes
June 10 – July 19, 2019
LEARNING BY DOING IS JOYOUS WORK!

Welcome to Hanahau'oli School's 2019 Summer Program. We offer numerous opportunities for children to explore interests and discover new talents while extending and practicing academic skills. Our creative teachers offer classes designed to reflect Hanahau'oli's integrated thematic teaching style, incorporating experiences in language arts, math, science, social studies, philosophy, technology, and visual and performing arts, in a context that is meaningful and motivating to children.

Enrollment is offered to children entering Junior Kindergarten (preschool) through the fifth (5^{th}) grade. Classes for older children are grouped by entering grades 1-2 and entering grades 3-5. Age/birthdate guidelines for entering junior-kindergartners and kindergartners are as follows:

Junior Kindergarten (JK)
- Boys entering Junior Kindergarten must be 4 years old by July 1, 2019
- Girls entering Junior Kindergarten must be 4 years old by September 1, 2019

Kindergarten (K)
- Boys entering Kindergarten must be 5 years old by July 1, 2019
- Girls entering Kindergarten must be 5 years old by September 1, 2019

The summer program schedule is Monday to Friday, 8:00 am - 11:45 am. Families have the option of adding a third class from 12:30 - 2:00 pm, After School Care (ASC), and/or Afternoon Enrichment Classes. There are different fees for the various offerings; however, enrollment in the morning block (8:00 – 11:45 am) is required for registration.

This brochure contains details of class offerings by age, grade level and class time (Morning Classes I and II; Afternoon Class III). Please contact Lisa Taylor, Summer School 2019 Director, at (808) 949-6461 x 130 or ltaylor@hanahauoli.org with questions.

Hanahau‘oli 2019 Summer School Program

DATES: June 10 - July 19, 2019 (No school on June 11 in observance of Kamehameha Day and July 4th in observance of Independence Day)

MORNING DROP OFF TIME:
7:15 - 8:00 am

PICK UP TIMES:

1. Regular Summer Program: **11:50 am - 12:15 pm**
2. Class III option or After School Care (ASC): **2:05 - 2:30 pm**
3. After School Care (ASC) and/or afternoon enrichment classes: **4:30 - 5:00 pm**

Please adhere to the drop-off and pick-up time windows above. Please note that extended pick-up until 5:30pm is not available. More information about the campus drive-through process will be provided with enrollment packets. Students will be checked into our After School Care (ASC) program if not picked up within the pick-up/dismissal window, and a $10.00 per 15-minutes (or fraction thereof) late fee will be charged to your account.

ENTERING JK and KINDERGARTEN SCHEDULE:

- Full morning class from 8:00 to 11:45 am with mid-morning snack and recess

ENTERING GRADES 1-5 SCHEDULE:

- 8:00 – 9:45 am Class I
- 9:45 – 10:15 am Snack and Recess
- 10:15 – 11:45 am Class II

Afternoon Class III, After School Care (ASC) and Afternoon Enrichment Classes are optional and available for additional fees. Details are in this brochure.

LUNCH: For children enrolled in an Afternoon Class III or After School Care (ASC), the two options are home lunch (provided by parents/caregivers) OR school lunch from a contracted lunch vendor. This summer for school lunch we are using Sodexo and parents can register for school lunch within the same online registration system as for class enrollment (Camp Brain). The summer food menu will be posted to the Hanahau’oli website. Please provide your child with a labeled reusable water bottle. Reusable lunch / food packaging is highly encouraged! Microwave for food heating is not available.

IMPORTANT REGISTRATION DETAILS:

English Proficiency Guidelines

- Due to the short duration of summer school, we cannot offer an ESL (English as a Second Language) or ELL (English Language Learner) program or experience. *Therefore, all students entering Junior Kindergarten through grade five must have appropriate grade level English proficiency.* Appropriate grade level English proficiency is defined as the ability to understand and communicate (listen, speak, read, write) at the appropriate entering grade level.
- International families will be asked about their child's current school and grade level, language(s) spoken, and English proficiency.
- Should any student demonstrate difficulty communicating or adjusting to the Summer School routines, the School, in its sole discretion, reserves the right to disenroll the student, without tuition refund.

Hawaii Health Department Requirements

- The Hawaii State Department of Health requires that all immunizations, TB clearance, and physical exams must be completed for incoming 4 and 5 year old children, out-of-state students and international students. All of the required immunizations need to be completed within one year BEFORE the start of Summer School.
- *Your child will not be able to attend until all health requirements are met.*
- Please see www.hanahauoli.org > Teaching and Learning > Summer School FAQs (or "*International and Out of State Students click here*" at bottom of page) for more details.

Online Registration & Confirmation

- By completing a registration, student and family members are agreeing to adhere to our Summer School Guidelines, which will be provided during the registration process.
- Payment is made via online registration system with credit card only. Shortly after payment is received your registration will be confirmed.
- Late registrations are considered on the basis of space and class balance and are not guaranteed.
- Once a registration is confirmed, the following fees are in effect:
    - $25 per class change
    - Program withdrawal: the school will honor withdrawal requests by mail or email if received by April 30, 2019. A refund, less a $125 processing fee and any non-refundable supply fees, will be credited back to your credit card.
    - NO REFUNDS WILL BE PROVIDED AFTER Tuesday, April 30, 2019.
- Some classes have supply fees, in addition to the class tuition. These fees are non-refundable. Please note these fees in the class description pages that follow.
- All classes have enrollment minimums and Hanahau'oli reserves the right to cancel a class due to insufficient enrollment.
- Student and family summer school packets with information about classes, logistics, and a campus map will be sent out at the end of May.
- For international families, your packets will be available for pick-up at the school office in the first week of June.

HANAHAU'OLI SCHOOL
EST. 1918

SCHEDULE OF FEES (PER STUDENT)

(ASC = After School Care)

Incoming JK and K

● Summer Program only (8:00 am - 11:45 am)	$1,000
● Summer Program with ASC (8:00 am - 2:00 pm)	$1,380
● Summer Program with late ASC (8:00 am - 4:30 pm)	$1,850
● Summer Program with late ASC and Enrichment Classes	varies

Incoming Grades 1-5

● Summer Program only (8:00 am - 11:45 am)	$1,000
● Summer Program with ASC (8:00 am - 2:00 pm)	$1,380
● Summer Program with Class III (8:00 am - 2:00 pm)	$1,650
● Summer Program with late ASC (8:00 am - 4:30 pm)	$1,850
● Summer Program with Class III and late ASC (8:00 am - 4:30 pm)	$2,115
● Summer Program with late ASC and Enrichment Classes	varies

Please note: Some classes have additional supply fees which will be added to the tuition cost.

SUMMER INTERIM CARE

June 3 – June 7, 2019
8:00 am – 2:00 pm

This program is available for children entering Kindergarten and older who are enrolled at Hanahau‘oli during the regular school year, or are enrolled in the Hanahau‘oli 2019 Summer Program. This program does not admit junior-kindergartners (pre-schoolers). Space is limited and filled on a first-come, first-served basis. Lunch is to be provided by parents/guardians.

Cost: $350 per student

Schedule:

7:15 – 8:00 am	Drop-off at Upper Gate (drive-through area)
8:00 – 9:00 am	Parents escort children to Pavilion and sign in if late; free play time
9:00 – 9:30 am	Announcements and morning snack
9:30 – 11:30 am	Planned activities on campus and/or learning trip
11:30 – 12:15 pm	Lunch
12:15 – 2:00 pm	Outdoor play; arts & crafts; rest and quiet reading time
2:00 – 2:30 pm	Pick-up at Upper Gate (drive-through area)

SUMMER AFTER SCHOOL CARE (ASC)

ASC is available for children entering Junior Kindergarten through grade 5, who are also enrolled in our Summer School Program. ASC includes supervised Lunch Care, from 11:45 am – 12:30 pm.

Dates: June 10 – July 19, 2019 (no school on 6/11 and 7/4)

Hours: 11:45 am - 2:00 pm (pick-up 2:05 - 2:30 pm) OR 4:30 pm (pick-up 4:30 - 5:00 pm)

Please note that fees vary based on your chosen pick-up time (see page 5)

Schedule:

11:45 am – 12:30 pm	Attendance, announcements, and lunch
12:30 – 2:00 pm	Optional Summer School Class III for grades 1-5
12:30 – 4:30 pm	Optional Enrichment Classes for JK - grade 5
12:30 – 2:00 pm	JK: stories, nap, activity / play time
12:30 – 2:00 pm	K and older: indoor and outdoor play time, various activities
2:05 – 2:30 pm	First ASC pick-up at Upper Gate (drive-through area)
2:00 – 3:00 pm	Afternoon snack (grade level rotation)
2:00 – 4:30 pm	Indoor and outdoor play time, various activities, arts and crafts
4:30 – 5:00 pm *	Second ASC pick-up at Upper Gate (drive-through area)

* Please note there is no extended 5:30 pm pick up, thank you!

COURSE DESCRIPTIONS

JUNIOR KINDERGARTEN (JK)

THE ARTS **8:00 – 11:45 am**
(Language Arts/Basic Visual Arts/Movement/Dance/Music/Simple Cooking)
Instructors: Sheena Yamamoto, Maia Lee Loy, Janelyn Gamiao, Alyssa Iwanaga
Supply Fee: $30/student

Does your child love to create things? This summer the JK class will be exploring the world of arts. Our first week will be an introduction to art as we learn about your child's favorite color, read fiction and non-fiction stories about art/artists and introduce your child to the schedule along with the different centers in the classrooms. The "JK-ers" will have an opportunity to learn and play as they discover different art themes each week. The weekly themes consist of: basic art exploration, the art of music, the art of movement/dance, dramatization, and culinary arts. In addition to integrating language arts, math, science, music and movement to our weekly themes we plan to take some learning trips and have a guest speaker or two. Let's get your child's creative juices flowing and make it a memorable artistic summer school experience!

KINDERGARTEN (K)

Please note there are two class offerings for Kindergarten; Hanahau'oli reserves the right to balance each class accordingly, if necessary, in the best interest of the children.

PICTURE BOOK EXPLORERS **8:00 – 11:45 am**
(Visual Arts/Fine Arts/Language Arts/Math/Literature/Movement/Science)
Instructors: Anuhea Mertens, Connie Saylors
Supply Fee: $30/student

Do you love books? Do you love art? This summer we will use storybooks to launch explorations into the world around us. Learning trips, guest speakers and hands on activities will help us investigate questions like: Why do kites fly? How do ocean waves form? What kinds of creatures live on a coral reef?

For example, the story *The Great Kapok Tree* will introduce us to a rainforest and the animals that live there. They will tell us how they depend on each other and on the Great Kapok Tree. We will visit Foster Botanical Gardens to see real Kapok trees and do art projects to help us explore what we have learned in a different way.

Stories will also introduce us to some famous artists, inspiring us to create our own. We will drip, drop and spatter paint with Jackson Pollock, explore lines, shapes and colors with Kandinsky, paint larger

than life flowers and plants like Georgia O'Keefe, and much more! Join us for a summer filled with stories, art, science, fun, and friends.

WHERE IN THE WORLD? **8:00 – 11:45 am**
(Art/Cooking/Geography/Language Arts/Math/Movement/Science/Social Studies)
Instructors: Laurie Heath, Johanna Nielsen
Supply Fee: $30/student

Join us for a fun summer exploring parts of the world through dramatic play, literature, art, social studies and science. Each week children will board a pretend plane to visit a dramatic play learning center such as a dinosaur dig in Europe. We will visit Asian countries like Japan, Korea or China. We will culminate with a fantasy trip to a land created and named by the children. Learning trips and cooking will also be a vital part of our summer. All aboard!

ENTERING GRADES 1-2
Class I: 8:00 - 9:45 am

PHONICS POWER **8:00 - 9:45 am**
(Language Arts/Art/Music/Movement/Technology)
Instructor: Carla Matsui

Join us for some fun-filled weeks of learning phonics through a multi-sensory approach that will include music, games, art, technology, and movement. We will review consonants and spend most of our time solidifying short vowel sounds, as these often pose the most problems for early readers and writers. Students will start the day in morning circle and learn via group work and activities. There will also be time for pair and individual work to learn and review rhyming, blending, and sight words. Children will write a weekly journal and will participate in mini lessons to focus on their own specific reading and writing level/needs. Students will also practice penmanship with an emphasis on lower case letters. *Note: this class is not recommended for children who are comfortable and/or fairly fluent with the reading and writing process. Entering 1st and 2nd grade students only.*

GARDEN ARTISTS **8:00 - 9:45 am**
(Art/Visual Arts/Fine Arts/Problem Solving/Science)
Instructor: Leslie Fleming
Supply Fee: $30/student

Join us as we tend Hanahau'oli's gardens and create art rooted in nature. We'll get our hands dirty every day and learn why we can't live without plants. We'll learn about how plants grow roots and shoots, how fruits form and the important role of bugs – pollinators, earthworms and microbes – in growing our food. We'll use our curiosity to drive observations about our garden experiences. We'll plant seeds and seedlings that students can take home. We'll also try making a few snacks from some of the plants that we grow. We'll create all kinds of art with plants, including sun prints and leaf prints.

We'll problem solve in creative ways to make two and three- dimensional art inspired by the wonderful world of gardening.

COOKING AND CRAFTS FOR KIDS **8:00 - 9:45 am**

(Cooking/Visual Arts/Fine Arts/Problem Solving/Science/Math/Team Building)
Instructor: Sommer Hovey
Supply Fee: $30/student

In this course, students will learn the fundamentals of cooking basic dishes and gain confidence in creating handmade crafts. Children will enjoy working alongside classmates as they learn hands-on techniques such as reading a recipe, understanding measuring and mixing, handling knives, kitchen readiness and the importance of kitchen safety. We will also explore various crafts that will develop their fine motor skills. We will learn about the significance of the process and origin of each finished piece while incorporating individual style and creativity.

EPIC VIDEO GAME DESIGN AND CODING **8:00 - 9:45 am**

(Computer Coding/Technology/Art/Writing)
Instructor: Anna Leonid
Supply Fee: $30/student

In this class, you will learn how to program computers and create games for you and others to play! As a class, we will create several games as you learn all about character creation, coding, and game design. You will then learn how to bring your own games to life! A huge focus of this class will be on solving interesting problems with the help of a computer. In addition to that we will have a week of Lego robotics in class, where you will learn how to build and code simple robots. This class builds progressively throughout the summer, with a showcase for your family and friends at the end.

ADVENTURES WITH MULTI-MEDIA ART **8:00 - 9:45 am**

(Art)
Instructor: Rusti Cripps
Supply Fee: $30/student

Does your child enjoy drawing, coloring, or painting in their spare time? Are they drawn to the beauty of their surroundings? Does their imagination run wild with the idea of creating something unique? This summer we will be adventuring through the realm of art together; exploring 2D and 3D media, such as drawing, painting, printmaking, illustration, clay and much more. Through trial and error, both our intentional and happy-mistakes will transform into our finished masterpieces! We welcome all skill levels, so please join us to learn, grow and have fun expressing ourselves through art.

MOVERS & SHAKERS **8:00 - 9:45 am**

(Dance, Movement, and Performing Arts)
Instructor: Jennifer Stierli

Let's dance! We'll use ballet basics and modern dance moves to tell stories, paint pictures, and expand our creativity. This class is great for kids with little to no formal dance experience. We'll read about amazing dancers like Misty Copeland, Michaela DePrince, and Savion Glover. Storybooks, music, and props will also inspire our imaginations! At the end of the summer session families will be invited for a student-led workshop and mini performance, no tutus or costumes required!

**Dress Guidelines*
Comfortable school-day attire such as t-shirts, shorts, yoga pants/leggings. Please no denim or board shorts. Dancewear is fine but not required. You may dance barefoot or in soft ballet shoes or jazz slippers. If you wish to purchase dance shoes they are available at the following retailers: Dancewear Hawaii, Step-N-Up Hawaii, Target, Amazon.com

ENTERING GRADES 1-2
Class II: 10:15 - 11:45 am

PHONICS POWER **10:15 - 11:45 am**
(Language Arts/Art/Music/Movement/Technology)
Instructor: Carla Matsui

Join us for some fun-filled weeks of learning phonics through a multi-sensory approach that will include music, games, art, technology, and movement. We will review consonants and spend most of our time solidifying short vowel sounds, as these often pose the most problems for early readers and writers. Students will start the day in morning circle and learn via group work and activities. There will also be time for pair and individual work to learn and review rhyming, blending, and sight words. Children will write a weekly journal and will participate in mini lessons to focus on their own specific reading and writing level/needs. Students will also practice penmanship with an emphasis on lower case letters. *Note: this class is not recommended for children who are comfortable and/or fairly fluent with the reading and writing process. Entering 1st and 2nd graders students only.*

MATH IN ACTION **10:15 - 11:45 am**
(Math/ Problem Solving)
Instructor: Alexandria Salas

Would you like your child to get excited about learning math this summer? Well, this summer we will have fun with math facts and problem solving. Students will learn as they take math off the paper and

into the real world. Targeting skills such as time telling, patterns, numbers sense and more! Let's put math into action this summer. Suited for students entering grades 1 and 2.

THE MAKERY **10:15 - 11:45 am**
(Art/Math/Science)
Instructor: Marc Miyamoto
Supply Fee: $30/student

The goal of the Makery is to learn how to use tools with our own two hands, and our imaginations to make “things” that will be either useful, playful or artful. We will use materials such as wood, plastics, polymers and/or craft supplies like paper and cardstock to make toys, puzzles and other useful objects. We will strive in our class to not only make things that students can take home at the end of the summer, but also teach them new skills, so they can approach any project in the future, and have the confidence and ability to plan, problem solve and accomplish any goal they choose to pursue.

This is the seventh year we are offering the Makery, and each year we provide an all new and novel experience. Come one, come all and come again if you like, because we will continue to make “makers” out of our students.

THE BUSINESS OF ART FOR YOUNG CHILDREN **10:15 - 11:45 am**
(Art/Visual Arts, Mathematics, Marketing, Problem Solving)
Instructor: Chicky Yuen
Supply Fee: $30/student

Children will make crafts and create original art to decorate items that can be sold. Working in small groups, we will set-up our own small stores. Children will learn the concept of how much to sell an item based on its cost. In the process, they will work on math skills, design their own currency, how to budget, and how to count money. In simplified and age appropriate terms, we will discuss how to market our product, making it appealing to people.

SPORTS AND GAMES **10:15 - 11:45 am**
(Physical Education/Fitness/Movement/Team Building)
Instructor: Kelly Rousseau
Supply Fee: $20/student

Are your children shakers and movers, ready for some active fun and play? In this class they will experience a fun-filled morning with a variety of activities, cooperative games, team sports and individual sports. Each of these activities will help develop self-awareness, eye-hand coordination, fine and gross motor skills, teamwork and self-confidence. Students can be a leader or a team player, but more importantly have fun and make new friends. All students will be provided with a custom-design “Sports & Games” t-shirt (in addition to the Hanahau’oli Summer School 2019 t-shirt).

PHILOSOPHY FOR CHILDREN (P4C) **10:15 - 11:45 am**
(Language Arts/Literature/Reading/Problem Solving/Team Building)
Instructor: Staci Fong

What does it really mean to be 'ohana? Are all fairy tales made up, or are some true stories? What are the reasons why people get married to each other? Is it more important to ask questions or know the answers? What are the reasons why people are unkind to one another? Is it still a rainbow if you can't see all seven colors? What does it mean to be a friend, and are there different kinds of friends? Is Santa real? What do we mean by "real"?

Students who like asking questions like the ones above and thinking about them with their peers will enjoy Philosophy For Children Hawaii (P4CHI). P4CHI is a worldwide movement that engages children in the activity of philosophy. P4C students will work alongside their teacher to create an intellectually safe community of inquiry where they can develop their ability to think together and independently, in responsible ways, by exploring "big questions" that arise from their interests, wonderings, experiences, and class materials (e.g. texts, short films, and artwork). As part of this process, students will make and use a community ball, learn about the "Good Thinker's Toolkit", engage in "Plain Vanilla" discussion-based inquiry, and partake in daily reflective activities. For more information about p4cHI see http://p4chawaii.org.

ENTERING GRADES 3-5
Class I: 8:00 am - 9:45 am

THE MAKERY **8:00 am - 9:45 am**
(Art/Math/Science)
Instructor: Marc Miyamoto
Supply Fee: $30/student

The goal of the Makery is to learn how to use tools with our own two hands, and our imaginations to make "things" that will be either useful, playful or artful. All students will be provided with a custom-design "Sports & Games" t-shirt (in addition to the Hanahau'oli Summer School 2019 t-shirt).

FULL S.T.E.A.M. AHEAD **8:00 am - 9:45 am**
(Art/Math/Language Arts/Problem Solving/Science/Technology/Writing)
Instructors: Suzie Gamble & Jan Corsino
Supply Fee: $30/student

Are you ready to go "Full S.T.E.A.M. Ahead" into an exciting summer school adventure? Then join us as we explore the Sciences, Technology, Engineering, the Arts and Mathematics to build a camera obscura, create your own constellation, design a radially symmetric stained-glass window, craft edible art pieces, and more!!! S.T.E.A.M. is an educational approach that cultivates 21st century skills such as critical thinking, innovation, problem solving, communication and collaboration through experiential learning. Themed weeks include: The Beauty of Mathematics (mazes and labyrinths, clocks and sundials); Out of this World (street art/graffiti art to create planetary paintings); Fabulous Food (ratio/scale/proportion to construct food models, sculptures and portraits); and The Amazing Human Body (body art, creating skeletal artwork, investigating optical illusions). Each project will integrate language art skills such as researching, creative writing, reflecting and presenting. We can't wait for you to join us as we blast full S.T.E.A.M. ahead!

THE BUSINESS OF ART FOR FUTURE ENTREPRENEURS **8:00 am - 9:45 am**
(Art/Visual Arts/Mathematics/Problem Solving/Marketing)
Instructor: Chicky Yuen
Supply Fee: $30/student

Students will create original art to decorate or be part of items that can be sold. We will meet and interact with professional artists who sell their work. Students will use math skills to learn how to price their products based on cost and labor. We will discuss how to market our products and learn how labeling and packaging items can make them more appealing.

ENTERING GRADES 3-5
Class II: 10:15 am - 11:45 am

GARDEN ARTISTS **10:15 am - 11:45 am**
(Art/Visual Arts/Fine Arts/Problem Solving/Science)
Instructor: Leslie Fleming
Supply Fee: $30/student

Join us as we tend Hanahau'oli's gardens and create art rooted in nature. We'll get our hands dirty everyday and learn why we can't live without plants. We'll learn about how plants grow roots and

shoots, how fruits form and the important role of bugs – pollinators, earthworms and microbes – in growing our food.

We'll create all kinds of art with plants, including sun prints and leaf prints. We'll make a miniature garden which students can take home. We'll use our curiosity to drive observations about our garden experiences. We'll problem solve in creative ways to make two and three dimensional art inspired by the wonderful world of gardening.

COOKING AND CRAFTS FOR KIDS **10:15 am - 11:45 am**
(Cooking/Visual Arts/Fine Arts/Problem Solving/Science/Math/Team Building)
Instructor: Sommer Hovey
Supply Fee: $30/student

In this course, participants will learn the fundamentals of cooking basic dishes and gain confidence in creating handmade crafts. Kids will enjoy working alongside classmates as they learn hands-on techniques such as reading a recipe, understanding measuring and mixing, handling knives, kitchen readiness and the importance of kitchen safety. We will also explore various crafts that will develop their fine motor skills. We will learn about the significance of the process and origin of each finished piece while incorporating individual style and creativity.

EPIC VIDEO GAME DESIGN AND CODING **10:15 am - 11:45 am**
(Computer Coding/Technology/Art/Writing)
Instructor: Anna Leonid
Supply Fee: $30/student

In this class, you will learn how to program computers and create games for you and others to play! As a class, we will create several games as you learn all about character creation, coding, and game design. You will then learn how to bring your own games to life! A huge focus of this class will be on solving interesting problems with the help of a computer. In addition to that we will have a week of Lego robotics in class, where you will learn how to build and code simple robots. This class builds progressively throughout the summer, with a showcase for your family and friends at the end.

ADVENTURES WITH MULTI-MEDIA ART **10:15 am - 11:45 am**
(Art)
Instructor: Rusti Cripps
Supply Fee: $30/student

Does your child enjoy drawing, coloring, or painting in their spare time? Are they drawn to the beauty of their surroundings? Does their imagination run wild with the idea of creating something unique? This summer we will be adventuring through the realm of art together; exploring 2D and 3D media, such as drawing, painting, printmaking, illustration, clay and much more. Through trial and error, both our intentional and happy-mistakes will transform into our finished masterpieces! We welcome all skill levels, so please join us to learn, grow and have fun expressing ourselves through art.

EXPRESSIVE MOVEMENT **10:15 am - 11:45 am**
(Dance, Movement, Performing Arts, and Team Building)
Instructor: Jennifer Stierli

In this class we'll use movement to tell stories, paint pictures, and expand our creativity. This class is appropriate for students with fewer than 3 years of formal dance training. You'll learn a basic ballet warm-up, modern dance moves, and how to share the spotlight with others. We'll read about amazing dancers like Misty Copeland, Michaela DePrince, and Savion Glover. Our exploration of movement will include storytelling, improvisation, props, and a variety of music. At the end of the summer session families will be invited for a student-led workshop and mini performance, no tutus or costumes required!

**Dress Guidelines*
Comfortable school-day attire such as t-shirts, shorts, yoga pants/leggings are fine. Please no denim or board shorts. Dancewear is fine but not required. You may dance barefoot or in soft ballet shoes or jazz slippers. If you wish to purchase dance shoes they are available at the following retailers: Dancewear Hawaii, Step-N-Up Hawaii, Target, Amazon.com

SUMMER AT HOGWARTS **10:15 am - 11:45 am**
(Literature/Reading/Art/Team Building/Creative Writing)
Instructor: Suzie Gamble & Jan Corsino
Supply Fee: $30/student

Calling all Harry Potter fans…..Hogwarts has come to Hanahau'oli! Students will be immersed in the Wizarding World of Harry Potter! After being sorted into their House (by the Sorting Hat of course), they will focus on a different magical subject each week. Themed weeks include: Hogwarts Life/Getting Acquainted with the Wizarding World; Magical Creatures and Fantastic Flora; Divination/Awakening your Inner Eye; Fanciful Foods and Potable Potions; Magical Games and Sports; O.W.L.S.

Not only will students have fun, they will learn and practice many real-life skills: problem solving, critical thinking, team building, collaboration, inquiry, cooking, research, note-taking, journaling, science, creative writing, art-making, and so much more. Come join this magical HP adventure!

ENTERING GRADES 1-5
Class III: 12:30 pm - 2:00 pm
(Includes Lunch Care from 11:45 - 12:30)

EXPLORING ART: Entering Grades 1-2 **12:30 pm - 2:00 pm**
(Art/Visual Arts/Science-Art Projects/Math-Art Projects)
Instructor: Hannah Shun

Students will explore the various, interconnected forms of visual art such as drawings, paintings, printmaking, sculptures, mixed media art, pattern-making, puppetry, jewelry-making, sand art and many more. These hands on activities will strengthen students' artistic skills and concepts of the elements and principles of visual art.

UKULELE, KANI KA PILA: Entering Grades 1-5 **12:30 pm - 2:00 pm**
(Music)
Instructor: Marc Miyamoto

Come and unwind in our Ukulele, kani ka pila “jam session.” Whether you are the next ukulele star or a beginner, this is the place for you. Learn strumming, picking, and lots of fun songs. Students will learn both contemporary songs as well as classic Hawaiian music.

YOUNG MOVIE MAKERS: Entering Grades 3-5 **12:30 pm - 2:00 pm**
(Performing Arts/Tech/Language Arts)
Instructor: Anna Leonid
Supply Fee: $30/student

In this class you will learn how to create movies! We'll learn different ways to make movies from hand-drawn, to paper, to clay, to filming digitally. Students will learn about acting, using green screens, and character design. Students will take home projects such as thaumatropes, zoetropes, flip books, etc. We will create whiteboard animations, short stop motion animations, and create a short movie or two. At the end of the session, we'll turn our classroom into a movie theater, invite parents, friends and family, serve popcorn and have a movie day!

GARDEN OF DE-LIGHT: Entering Grades 3-5 **12:30 pm - 2:00 pm**
(Art/Visual Arts/Problem Solving)
Instructor: Chicky Yuen
Supply Fee: $30/student

Using nature for our inspiration and sources of light such as candles and holiday lights, we’ll create projects that shine! We will upcycle water bottles, plastic egg cartons, holiday lights, straws, chopsticks, etc. and make some wonderfully creative and functional pieces such as a ceramic lamp, a mini-chandelier, and glow-in-the dark sculptures.

WRITE ON!: Entering Grades 3-5 **12:30 pm - 2:00 pm**

(Language Arts/Music/Reading/Writing)
Instructor: Maile Ostrem

Join veteran teacher Maile Ostrem and learn to be a better reader, speller, writer and speaker during our fast-paced sessions. We will have quiet reading time, play games, read and write stories and poems, create posters and make up raps and songs to help remember spelling and writing rules. You'll even get a chance to learn how to read and write in cursive ! Students will leave the class with stronger skills and a great attitude about themselves as communicators.

PROGRESSIVE YOUTH LEADERSHIP ACADEMY

ENTERING GRADES 7 - 12

Monday, Wednesday, Friday
1:00 – 4:00 pm
$300 seminar fee per student

Adult Leaders:

- Dr. Amber Strong Makaiau, Hanahau'oli Director of Professional Development
- Lia Woo, Hanahau'oli Head of School

"The man who never followed his bliss...may have success in life, but then just think of it--what kind of life was it?...If you do follow your bliss, you put yourself on a kind of track that has been there all the while, waiting for you, and the life that you ought to be living is the one you ARE living." -- Joseph Campbell 1988

In Summer 2019 Hanahau'oli School will launch the **Progressive Youth Leadership Academy**. This program is designed for students entering grades 7-12 who are interested in "finding their bliss," leading and reflecting on their role in creating a better future society. The program consists of a one-hour seminar that meets from 1:00 pm to 2:00 pm Monday, Wednesday, and Friday, plus an adjoining two-hour community service practicum that meets on the same days from 2:00 to 4:00 during the Hanahau'oli After School Care (ASC) program. The seminar will be dedicated to inquiry, reflection, and the development of leadership skills. Participants will have the opportunity to "find their bliss" by exploring passions and interests through self-reflection and community dialogue. They will identify an area of focus, then develop and lead a learning experience for Hanahau'oli ASC students around their passion or interest. At the end of the program participants will reflect on and document their experience by writing a personal essay that explains how their unique style of leadership is a vital expression of citizenship in our diverse democracy. The seminar will be lead by Dr. Amber Strong Makaiau, Lia Woo, and future teacher leaders (Hanahau'oli graduates now pursuing college degrees in education). It will also feature invited guest speakers. Participants will be supervised and mentored by the future teacher leaders during the community service practicum and will receive community service credit hours. Enrollment is limited for this exciting leadership offering for older students!

AFTERNOON ENRICHMENT CLASSES

**** These classes do not meet 5 days a week ****
**** Days and times vary ****
**** Child must be enrolled in ASC to take an enrichment class ****

HIP HOP DANCE: Entering Kindergarten – Grade 3
Tuesdays & Thursdays – 10 classes
(No class on Tuesday 6/11 or Thursday 7/4)
3:00 - 3:45 pm
Instructor: Miranda Rudegeair
Cost: $200/student

Come learn the latest dance moves in a casual, fun environment to the latest kid-friendly music. With your child's input, we will explore their personal style and be as creative as we can be. With focus on the personality and style of the students, the fun music will lead us on a journey filled with movement and energy! Miranda Rudegeair has been teaching Hip Hop for 15 years. Students love her classes, and she is so excited to meet and dance with your child!

KEIKI CARTWHEELS: Entering Junior Kindergarten – Grade 3 *
Mondays & Fridays – 12 classes
Instructor: Tami West
Cost: $258/student
Times:

12:30 – 1:15 pm	Junior Kindergarten & Kindergarten
1:20 – 2:05 pm	Junior Kindergarten & Kindergarten
2:10 – 2:55 pm	Grades 1-3 *(grades 4 & 5, please inquire directly with school if interested in this class)

Keiki Cartwheels has been offering non-competitive gymnastics classes at Hanahau'oli School since 1998. Our beginning gymnastics classes include tumbling, balance beam, parallel bars, swinging bars, creative movement plus motor development activities and group games. A lesson plan for each class gives your child a chance to practice skills he/she already knows while receiving many new challenges. All classes are taught in a fun and positive fashion!
Visit www.keikicartwheels.com

PHOTOGRAPHY: Entering Grades 4 – 5
Wednesdays & Fridays – 12 classes

3:00 - 4:30 pm
Instructor: Mollie Taylor
Cost: $200/student

Say cheese! This summer, capture a moment, edit a masterpiece, and share your work with a crowd as you become the photographer you never imagined you could be! Join us in our journey as we explore the wonders of cameras, iPads, and photo editing apps. We will learn all about composition, editing, printing, and techniques to help us grow as photographers. We will find a new lens to look through and inspire others with eye-catching photos we capture over the course of the summer!

END OF BROCHURE
